Re: 10/710,815, Venturi Fan, filed 4 August, 2004
Response to an office action mailed 25 March, 2005.

Dear Examiner McKinnon:

Following please find amended and new claims that I believe are fully responsive
to the above office action.

Remarks:

1. You advised that claim 5 would be allowable if rewritten in independent form including all of the limitations of claim 1. Claim 5 has been so amended.
2. You advised that claim 6 would be allowable if rewritten in independent form including all of the limitations of claim 1. Claim 6 has been so amended.
3. Claims 1 through 4 have been canceled.

4. I have also added new dependent claims 7, 8 and 9. These claims depend upon claim 5, and are similar to the original dependent claims 2, 3 and 6.
5. I have also added new dependent claims 10, 11, 12 and 13. These claims depend upon claim 6, and are similar to the original dependent claims 2, 3, 4, and 5.

There is no new matter. I do not believe that having claims 7, 8, and 9 be dependent upon an amended claim 5 including the limitations of the original claims 1 and 5 raises any new issues. I do not believe that having claims 10, 11, 12, and 13 be dependent upon an amended claim 6 including the limitations of the original claims 1 and 6 raises any new issues.

There is no increase in the fee, as there are now two independent claims and seven dependent claims.

I have found some typographical errors in the specification, and have included amended paragraphs with the corrections.

1. In [0003], a period "." is missing and the next paragraph was run together with [0003]. I am not sure how to designate this, so I used the designation [0003] for the first part, and [Separate paragraph of 0003] to designate the second part.
2. In [0014], there is an extraneous period "." which should be deleted.
3. In [0025], "29" should be "19".

I believe that these amendments place the application in condition for allowance.

Sincerely yours,

Edward Herbert
